The Ford Taurus SHO (Super High Output) is the high-performance variant of the Ford Taurus. It was originally produced by Ford from 1988 until 1999. It returned in 2009 for the 2010 model year. The SHO (originally spoken as individual letters, as of 2010, pronounced "show") was built by the same team that produced the Ford Mustang SVT Cobra. It was originally created as a limited production ...

The third-generation Ford Taurus is an automobile that was manufactured by Ford from 1995 to 1999.. The third generation of Ford Taurus was the first to be completely redesigned from the ground up, and used a rounded, oval-derived design that was very controversial at the time, considered to be the main reason for this model's downfall in the market. It was designed to appeal to buyers of the ...
