The Renault FT (frequently referred to in post-World War I literature as the FT-17, FT17, or similar) was a French light tank that was among the most revolutionary and influential tank designs in history. The FT was the first production tank to have its armament within a fully rotating turret. The Renault FT's configuration - crew compartment at the front, engine compartment at the back, and ...

Due to the inherently dangerous nature of auto racing, many individuals, including drivers, crew members, officials and spectators, have been killed in crashes related to the sport, in races, in qualifying, in practice or in private testing sessions. Deaths among racers and spectators were numerous in the early years of racing. However advances in safety technology, and specifications designed ...
