what years will interchange without swaping wiring harness on my auto transmission - i have a 1999 mustang 3.8 auto i am going to do a tranny swap from aut...

what years will interchange without swaping wiring harness ...

I have an 84 f250 6.9 diesel and I tried to start it and heard a pop. The fuse blew for the starter, so I put a new one in and tried to start it again. There was another pop. After tho more fuses I decided to open the hood and look for the problem. The worst I seen was a bare spot on a fusible link I patched it with some electrical tape and tried again.
