1. Have a Church Security Plan. Planning is one of the most important first steps you can take to tighten church security. This involves writing a plan that answers the question “what should we do if.....” any given situation. This plan should be developed by key church leaders and added to a policy and procedure manual that can be updated as needed.

8 Tips to Tighten Church Security - Smart Church Management

4. Steps for developing the Safety and Security Manual: 1.) Naming the people or person who will develop it, in cooperation with everyone involved and under the guidance of church leadership. 2.) Starting and continuing an ongoing program of assessment of every aspect of the place of worship.

Developing A Church Security Manual-07-09-Rowe

policy (Pastors, Security, Custodian) Usually the person in need will call the church first, but occasionally, there are people who will stop by the church requesting some type of assistance, i.e. money, food, shelter.
