Latest Dimensional Metrology, Inspection and Quality News. Metrology News E-Zine is updated daily providing the very latest in global metrology and quality news from manufacturing industry around the world.

### **Metrology and Quality News - Online Magazine - Latest ...**

I've always wondered this... What is the most accurate way of getting the CMM to give you the same measurement on a hole that a pair of calipers would? Most of the holes I measure are less than 1" in diameter & I will usually sample the surface around it with 3 hits, take 4 hits in the hole, & have it calculate with the LEAST\_SQUARE method.

### **What is the most accurate way of measuring hole diameters ...**

Hello everyone, I have some parts I am working on right now that have a 8° Internal/Female taper on a hole (Top of hole is: .234) and (bottom of hole is: .208) I was looking through the site trying to figure out a way to check this dimension at the machine since our CMM guys take about a million ...
