A Risk-Free, High-Yield, Guaranteed Investment. Next month the stock drops by 50 percent. Now your stock is worth \$500. But if you pay off debt with that \$1,000 and ABC stock tanks, it does not affect your net worth at all. That \$1,000 “investment” in your debt increased your net worth without any risk.

A Risk-Free, High-Yield, Guaranteed Investment

We are ICS Families, also known as The Family Organization. We are here to make it easier for you to be in-the-know and help your child get the most out of their school experience. Our mission is to strengthen, enhance and encourage the educational, social and emotional environment of ICS.

ICS Family Organization

High Yield Bonds High yield (non-investment grade) bonds are from issuers that are considered to be at greater risk of not paying interest and/or returning principal at maturity. As a result, the issuer will generally offer a higher yield than a similar bond of a higher credit rating and, typically, a higher coupon rate to entice investors to take on the added risk.
