I bought myself two Mvision HD-300 Receivers and thought I'd give a mini review based on my

findings! Everything you'd expect came in the box - a receiver, manual, remote control and batteries (most important). I'm not sure if this model has been officially launched in the UK as yet as the receiver came with a Euro > UK power adapter.

Mvision HD300 Combo Review? - SatsUK

At Mvision, we embrace challenges which require innovative thinking and an original approach. That's why we're passionate about working with companies with big ideas and helping them to realise their ambitions. No matter how tough the nut is to crack. Learn more
