Hi, I just picked up a pretty old Troy Bilt Tiller today but i really cant tell you much about it. I know its a Horse rear Tined model and i know that the Serial number is TH-1003-1 but i cannot tell you what engine is on it because the guy i got it from replaced the original engine with a Techumseh engine off his old snow blower.

A lawn mower (also named as mower or lawnmower) is a machine utilizing one or more revolving blades to cut a grass surface to an even height. The height of the cut grass may be fixed by the design of the mower, but generally is adjustable by the operator, typically by a single master lever, or by a lever or nut and bolt on each of the machine's wheels.
