We have been promoting the Silber Turbo kits with excellent success. These kits simply work great and they have a great price too! With the use of the stock Ecu that is reflashed, its makes the snowmobiles run smooth and issue free. We have used these kits in pump gas and race gas form. And now we even started to offer them with our Speed Shop Inc Big Bore Kits too!!!

Fact: The History term "All-Terrain Vehicle" or ATV is used in a general sense to describe any of a number of small open motorized buggies and tricycles designed for off-road use. However, the American National Standards Institute (ANSI) defines an ATV as a vehicle that travels on low pressure tires, with a seat that is straddled by the operator, and with handlebars for steering control.
