Welcome to remotecodelist.com a site born after losing one too many universal remote manuals. If you have a remote for which you know the codes (or a web page that lists them) head to the contact page to submit them. Note: This site does not sell remotes, it is merely a list of remote control instructions and codes.

As home theaters become more and more popular, sooner or later everyone begins to experience the same basic problem: too many remote controls sitting on the coffee table. While a few such as those packaged with television sets or receivers may feature basic universal capability, it always seems there's a few buttons on every other remote that you're unable to program yet just can't live without.
