The Dutch animation studio NeoGeo started to develop Blender as an in-house application and based on the timestamps for the first source files, January 2, 1994 is considered to be Blender's birthday. The version 1.00 was released in January 1995, with the primary author being company co-owner and software developer Ton Roosendaal. The name Blender was inspired by a song by Yello, from the album ...

Rated 4 out of 5 by Sam from FIRST time users need to READ this I am a first time torch user, bought it mainly for home use including cooking after I saw an interesting recipe on Arizona Republic last month. Tried using it today and it worked for my purpose. On ease of installation, I am rating it 3 because of lack of information.
