

Vizio Manual Power Button

I have a VIZIO E321VL that would not do anything. I replaced the Power supply board and now the VIZIO logo lights up amber and changes to white when power button is pushed. I got nothing else. I repla ... read more

is there a manual power button on my Vizio E321VL television?

My Vizio TV has no buttons! What do I do? If your kids broke off the power button while trying to fix something else, the fact that it lacks a button is the least of your concerns. Where are the ...

My Vizio TV Has No Buttons!

The board where the power button is located is probably bad. The power button itself will be part of that board, which will also have the other controllers (i.e. "all on one board"), which would explain your multiple problems.

Where is the power button on a 48 inch vizio smart tv? - Fixya

Where is the off/on button on a Vizio LCD TV?

I was watching TV earlier this evening when suddenly there was no picture or sound.I put
fresh batteries in the remote, but that didn't help.

When I turned off the lights I could see light on the screen and it is warm.
